

IN ADDITION TO OUR WONDROUS BREAKFASTS AND LUNCHES WE OFFER:

DAYLONG COUNTER DELIGHTS

Served All Day from Open to Close.

Because we believe every day deserves to be special, our counter selection changes daily. We can offer a most gratifying Soup of the Day; a range of nourishing yet stimulating toasted Sandwiches and Savouries; and a collection of frankly irresistible Crêpes, Cakes and Pastries. Wherever possible, we source our ingredients and some finished foods from local artisan producers and suppliers who meet our ethical and quality standards. Many items are created and prepared in-house.

Please see our counter for the latest selection of delights.

EVENING BAR SNACKS

Thursday – Saturday: 6pm – Close.

Because life's pleasures are almost always increased when enjoyed with others, many of our bar snacks are designed for sharing. Our bar snacks will change daily, so please ask us for the today's delights.

Please see as us for our for today's BAR SNACK menu.

SUPREME SUPPERS

Served Friday & Saturday Evening: 6pm – 9.30pm

The precise timing of suppertime has often ignited controversy amongst arbiters of etiquette. To avoid confusion (and the alarming possibility of actual bunfights) we have unilaterally declared its official start as 6pm.

Our supper dishes change weekly and are always seasonal.

Please ask us for this weeks SUPPER menu.
